Project outline
Please refer to this guideline for your proposal within the BremenIDEA funding line. The proposal text must not exceed 5 pages. Structure your proposal on the following points:

1. Information on the host institution and responsible local collaborator(s)
2. Information on your current status at the University of Bremen and (if applicable) current fundings
3. Brief description of the PhD project
4. Planned dates and planned activities at the host institution
5. Relevance of the research stay for the PhD project and possible future cooperations, follow-up projects, etc.

Letter of recommendation
Please provide the following information to your supervisor at the University of Bremen:

The BremenIDEA funds should be distributed evenly and with equal opportunities to doctoral researchers of all disciplines of the University of Bremen. Therefore, the letter of recommendation should also provide information on the reasons why no other funding is available for the requested research stay.

BremenIDEA is a joint project of BYRD and the International Office of the University of Bremen.
