II Cooperation with the International Office and intercultural commitment in student groups

1. Please give a short presentation of the program or group!

2. What was your motivation to work there?

3. What did you expect and did your expectations fit with your actual experiences?

4. With which cultures did you get in contact?

5. Did you find any commonalities or diversities in relation to your own culture? Did you realize any behavior that you weren’t able to understand?

5. Did this work encourage you to spend some time abroad or did some experiences you already made abroad help you with your work?

6. Did your work change your perspective on your own culture?

7. Do your intercultural experiences influence your behavior, opinions or values in your daily life?

8. Please point out one problematic and one exciting or beautiful event that could only happen because of your intercultural work!

9. How did this work or commitment promote your intercultural competence?

10. Other remarks

III Study-Buddy und Tandem programs (at least five pages):

1. Please give a short presentation of your partner!

2. How did you prepare your work together?

3. What was your motivation for this project?

4. What did you expect and did your expectations fit with your actual experiences?

5. In which languages did you communicate? How did the exchange develop?
6. Please name some of your joint activities?

7. Did you have any problems or misunderstandings in your cooperation? Are there still some unanswered questions?

8. Do your intercultural experiences influence your behavior, opinions or values in your daily life?

9. Did some experiences you already made abroad help you with your team?

10. How did this cooperation promote your intercultural competence?

11. Other remarks
