**Experience report (Lern-Tandem-program)**

Please note: The report should be at least 5 pages long (type size Arial 11pt, 1.5 line spacing), if you want to obtain 3 CP (credits) in the field of General Studies / Schlüsselqualifikationen or earn credits for the Intercultural Certificate.

1. Please introduce your tandem partner!
2. Please describe what your cooperation looked like. How did you work together? What did you do when meeting each other?
3. What were your motivations for taking part in the learning tandem program? Which expectations did you have? Have your hopes been fulfilled?
4. How much time did you spend learning together and preparing for your meetings?
5. Did any problems or misunderstandings occur?
6. In what way did your participation in the tandem program enhance your intercultural competence?
7. Do you think that the experience you’ve gained by participating in the tandem program will prove useful for your studies and/or your working life?
8. What did you like about the learning tandem program? Did you make use of any additional offers (cultural events, leisure activities or consultation offered by the kompass-team)? Do you have any suggestions how we could improve the program? Were there any problems which could be avoided in the future by modifying the program or by offering additional support?
9. How did you get to know about the tandem program?
