WE WELCOME THE BREMER HEIMSTIFTUNG AS A NEW CORPORATE MEMBER IN OUR ASSOCIATION

“In the last decade, diverse fields of work have developed between the University of Bremen and the Bremer Heimstiftung. Several graduates have taken their path into the demanding fields of tasks within the Bremer Heimstiftung and are responsible for important fields of work of the foundation. It is therefore that we are looking forward to a new path together with the alumni association!”

EXPLORING THE DNA OF THE UNIVERSITY OF BREMEN

Next year, the University of Bremen celebrates its 50th anniversary. What type of identity do graduates of the university have concerning their alma mater? How has the university's image changed over the years among students and in public? The alumni association would like to start a comprehensive survey in collaboration with the Social Sciences in Department 8 and its affiliated Methods Center under the supervision of Prof. Uwe Engel, whom we have already interviewed in advance. ADDICTIVE REMEMBRANCE WORK

Successful start: Our first network meeting this year took thirty alumni to the University of Bremen archive and yielded two important insights. Firstly, nothing here is stuffy or dusty. Secondly, anyone who starts browsing through the old flyers, photos, and posters will have a hard time breaking away from them again. [Continue reading](#)
