Azure Dev Tools for Teaching

Azure Dev Tools for Teaching offers the opportunity to use a wide range of Microsoft products in research and teaching free of charge.

The use of the software and services is permitted exclusively for students and employees of Faculty 1 for academic purposes, personal education and training in science on private computers. Its application for commercial purposes is strictly forbidden.

A list of the offered products can be found after registration in the portal of Azure Dev Tools for Teaching.

Registration with Microsoft Azure Dev Tools for Teaching.

Instructions:

1. Please select "Sign in" on the website.
2. In order to access the Azure Dev Tools for Teaching you need a personal Microsoft account.
3. If you do not have a Microsoft account, you can sign up for a new Microsoft account. Please click on "Create one now!" ("Estellen Sie jetzt eins!"). When creating a new Microsoft account, please use a private email address, which must be verified at the beginning of the creation process.
4. Then enter your university email address and agree to "the subscription agreement, offer details, the agreement on Azure Dev Tools for Teaching and the privacy policy" ("dem Abonnementvertrag, den Angebotsdetails, der Vereinbarung zu Azure Dev Tools für den Unterricht und der Datenschutzerklärung"). Finally, please click on "Verify academic status and accept terms and conditions" ("Akademischen Status verifizieren und Bedingungen akzeptieren").
5. After this you will receive an e-mail to your university address. Confirm the link contained.
6. After confirming the link you should have access to Azure Dev Tools for Teaching.

Please note:

- Azure Dev Tools for Teaching is operated by Microsoft and you enter into a contract with Microsoft. You are responsible for compliance with the terms of the license, so please read the license agreement carefully.

- The software downloaded via Azure Dev Tools for Teaching is permitted exclusively for personal education and training in science on private computers of the above-mentioned group of persons. Commercial use is prohibited.

- Any costs arising from the use of services of the Azure platform, some of which are subject to charges, are to be covered by yourself.

- Neither the University of Bremen nor Faculty 1 have any influence on the offer and functionality of Microsoft Azure or the software offered. If you have any problems, contact Microsoft support directly.
