Conference-workshop
Historical language
contact and emergent /
emerging varieties in
the Indian Ocean

GW2, A3570

Join Zoom Meeting

SCAN ME

The aim in this workshop is to take a look at the *historic language contact situations and the emergent / emerging contact phenomena, codes and varieties* through keynote addresses, input talks and round table discussions. This event is concerned with historic language contact and change *in and around the Indian Ocean* including the geographic spaces of East Africa, Mauritius and the Seychelles, the Arabian Gulf, India, Sri Lanka and Southeast Asia, all of which are sociohistorically interrelated through many layered networks.
