Ocean Science Colloquium / BreMarE Day

in connection to the project launch of FACE-IT

Wednesday, 25 November 2020; 15:15, via zoom

Hosted by Kai Bischof

The new Arctic: Ecological and societal transitions in glacial fjord systems

15:20	Thomas Juul Pedersen (Greenland Institute of Natural Resources, Nuuk) "Greenland fjords – Convergence zones between glaciers and the ocean"
15:50	Dorte Krause-Jensen (Univ. Aarhus) "Imprint of climate change on pan-Arctic marine vegetation"
16:20	Kit Kovacs (Norwegian Polar Institute, Tromsø) "Climate change impacts on marine mammals in Svalbard – an Arctic hotspot"
16:50	BREAK
17:10	Lill Rastad Björst (Univ. Aalborg): "Transformation in Indigenous Arctic Societies"

Studying (in) the new Arctic:

17:40	Børge Damsgård (The University Centre in Svalbard, Longyearbyen) "UNIS - educating tomorrow's Arctic experts"
17:55	Thomas Juul Pedersen (Greenland Institute of Natural Resources, Nuuk) "Arctic Science Study Programme (ASSP) – International graduate courses on climate, environment and communities of the Arctic"
18:10	Closure

For access please send an email to Dr. Simon Jungblut: jungblut(at)uni-bremen.de

FACE-IT is funded by the European Union's Horizon 2020 research and innovation programme under the call: H2020-LC-CLA-2018-2019-2020 (Building a low-carbon, climate resilient future: climate action in support of the Paris Agreement), Grant number: 869154
