

BremHLR

Kompetenzzentrum für Höchstleistungsrechnen Bremen

The Bremen Supercomputing Competence Center BremHLR invites to the

17th Workshop on “Parallel programming with MPI and OpenMP”

Dates: September 16 – 20, 2024

Location: University of Bremen, MZH, Room 6200

Workshop Contents: This course introduces to parallel programming. The main focus is on the parallel programming models MPI and OpenMP. Exercises will be an essential part of the workshop. The course will be held in English.

Lecturers: The course is given by Dr. Hinnerk Stüben (University of Hamburg) and Dr. Lars Nерger (BremHLR and Alfred Wegener Institute, Bremerhaven).

Participation: The course is open to all interested students or members of the University of Bremen, Hochschule Bremen, Alfred Wegener Institute for Polar and Marine Research, Hochschule Bremerhaven and other users of HLRN/NHR.

Prerequisites: Solid fundamentals in Unix as well as C or Fortran will be essential!

Registration: Please register by email to bremhrl@uni-bremen.de

Registration deadline: September 1, 2024

Fees: None – the workshop is for free!

Local Organizers:

Lars Nерger (Alfred Wegener Institute & BremHLR)

Thorsten Coordes (ZARM, University of Bremen)

Achim Gelessus (CLAMV, Constructor University, Bremen)
