

Universität  
Bremen

# Summer School July 24-26, 2024

## Data-driven dynamical systems

### Registration

Registration until end of June.  
Participation is free of charge.

### Contact information

[datads24@uni-bremen.de](mailto:datads24@uni-bremen.de)  
<https://unihb.eu/dds24>

### Venue

University of Bremen, MZH  
Bibliothekstraße 5  
28359 Bremen,  
Germany

### Speakers

**Dimitrios Giannakis**  
Dartmouth College, USA

**Stefan Klus**  
Heriot-Watt University, UK

**Caroline Wormell**  
University of Sydney, AUS

### Keywords

Koopman/transfer operator theory,  
Kernel analog forecasting,  
Python implementations,  
Spectral and data-driven approximations
