# Library Search Engine

- Registration for a library account
- Metasearch in different data sources with only one search line
- Over 60 million electronic and printed media in all subjects
- <https://www.suub.uni-bremen.de/>

The screenshot shows the homepage of the Staats- und Universitätsbibliothek Bremen. The header includes the library's name and logo. A login section on the right has fields for 'Library card number' and 'Password', with links for 'Forgot your password?' and 'New to the library? Sign up here!'. Below the header is a navigation bar with 'Home' and language options 'a a a'. The search bar is prominently displayed with a magnifying glass icon, the text 'Search All media', a dropdown arrow, and a placeholder 'Your search: e.g. title, subject, person, ISBN ...'. Below the search bar, there are three main sections: 'Helpful tips to get started' with a 'New to our library?' banner, a photo of a person in a library, and 'Opening hours' for the 'Zentrale' at 'Bibliothekstraße 28359 Bremen'.

## Read Online From Home

- Many online media of SuUB can only be read on campus
- Access to restricted electronic resources from outside
- Using the VPN service of the Center for Networks (ZFN)
- For users from the University of Bremen via a user account at ZFN
- Using Cisco AnyConnect software
- IMPORTANT: Set the "Group: Tunnel-all-Traffic" setting when establishing the connection
- [Explanation video \(YouTube, German\)](#)

### **Limited access holdings and remote access**

Due to licensing restrictions the databases, e-journals, and e-books available through the SuUB can only be accessed on campus. These resources are identified in our catalog with a yellow circle.

Members of Bremen's universities can also access these resources from home.
