VIRTUAL REALITY

# SUSTAINABILITY AND VIRTUAL REALITY AN INVITATION VR DEMO DAY

## FINAL SHOWDOWN.

For the course Sustainability and Virtual Reality at the Department of Economics at the University of Bremen, students have developed innovative VR trainings together with UNITAR, which contribute as an organisation to the achievement of SDG 16: Peace, Justice and Strong Institutions.

Take part and be surprised what is possible through Virtual Reality.

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

17 PARTNERSHIPS FOR THE GOALS
