## Statement of consent

to an electronic plagiarism check of the submitted work

Submitted work may be scanned using the software PlagAware to check similarity with external sources and the university's own database.

Submitted work may be stored in the University of Bremen's database on a permanent basis so that it can be compared with future theses, examinations and assignments that undergo a plagiarism check.

By signing, I declare my consent to:

the work that I have written and am submitting being uploaded to the PlagAware server so that it can be checked for plagiarism.

the work that I have written and am submitting being permanently stored PlagAware server for the purpose described above.

Date:

Signature:

.....

Notice:

This software will start being used in some faculties in 2019. Accordingly, only students of Faculties 04, 07, 08, 10 and 11 need to observe this section.

It is voluntary to give consent to plagiarism checks with specialized software and to permanent storage of the text. This consent may at any time be withdrawn with future effect by submitting notice to this effect to the University of Bremen.

More information about plagiarism checks of written work using relevant software can be found in the Usage and Privacy Plan.
