Statement of consent to an electronic plagiarism check of the submitted work

Submitted work may be scanned using the software PlagAware to check similarity with external sources and the university's own database.

Submitted work may be stored in the University of Bremen's database on a permanent basis so that it can be compared with future theses, examinations and assignments that undergo a plagiarism check. By signing, I declare my consent to:

the work that I have written and am submitting being uploaded to the PlagAware server so that it can be checked for plagiarism.

the work that I have written and am submitting being permanently stored on the PlagAware server for the purpose described above.

Notice

This software will start being used in some faculties in 2019. Accordingly, only students of Faculties 04, 07, 08, 10 and 11 need to observe this section.

It is voluntary to give consent to plagiarism checks with specialized software and to permanent storage of the text. This consent may at any time be withdrawn with future effect by submitting notice to this effect to the University of Bremen.

More information about plagiarism checks of written work using relevant software can be found in the Usage and Privacy Plan.

Declaration for thesis publication

The University of Bremen archives will, for the two years following graduation, have an option to archive theses permanently.

The following are archived:

- 1) Master's theses of local or regional relevance as well as 10% of all theses in each subject and cohort,
- 2) bachelor's theses of the first and last bachelor's degree graduate in each subject and cohort.

Please check one of the following:

I give my consent to having my thesis viewed by third parties in the university archives for academic purposes.

I give my consent to having my thesis viewed by third parties in the university archives for academic purposes once at least 30 years have passed (in accordance with Section 7(2) of the Bremen Archives Act).

I do not give my consent to having my thesis viewed by third parties in the university archives for academic purposes.
