

University of Bremen collaborates with Off-University and the New University in Exile Consortium

We, the Institute of Anthropology and Cultural Research (IfEK) and the Institute of Political Science (IPW), continue to cooperate with the Off-University and the New University in Exile Consortium. The Consortium and Off-University stand up for persecuted and repressed scientists and against the repression of academic freedom. The Off-University establishes and tests new digital learning and teaching formats with and for scientists and students who live in exile or have to work under repression in various regimes. We are happy to host the seminar on **“Decolonizing and Deconstructing the MENA/SWANA”** by Dr. Mabruk Derbesh and Dr. Teoman Aktan in the summer semester 2022.

The course will start on April 20th, 2022 and take place every Wednesday from 12:00pm - 2:00pm (CET). Please click here to register: <https://off-university.com/> Students of University of Bremen please register via StudIP for General Studies (GS).

The course is co-sponsored by The New University in Exile Consortium and organized with the support of Ludwig-Maximilians-Universität München, Institute for Near and Middle Eastern Studies.
