Description of seminars

Veranstalter*in: Paloma Viejo Otero

Lecturer:

Titel (dt.):

Titel (engl.): Governing Hate: Hate Speech and Social Media Platforms.

(immer

Beschreibung:

This module delves into the relationship between social media and hate speech. In doing so, it looks at the notion of hate speech from an historical and sociological perspective. It also looks at social media platforms' moderation systems and analyses the principles and values that underpin social media schemes of intervention to hateful content.

This module is entirely in English. It combines theory, class workshops, external seminars and practises.
