**Beschreibung:** Established in May 1923, Ankara Chamber of Commerce (ACC) is a Non-Governmental, Non-profit, self-financed private institution Chamber in Turkey with more than 100,000 registered members. The General Assembly elects 11 members for the Board of Directors for a period of 4 years. There are 61 sectoral committees with the major aim of increasing the standard of the commercial life of the members via supporting them in every aspect of business life, including education, health, insurance, consulting. Subscription and authentication fees are the main resources of income. ACC is a member of The Turkish Union of Chambers. It uses all ICC rules in its daily work and has got an ISO 9000 certificate. ACC organises panels, seminars and symposiums a few times every month and so provides a platform to discuss what is on the agenda of Turkey and even the world in detail. With various campaigns organized, on behalf of the public’s welfare and benefit, ACC won two golden medals awarded by the International Public Relations Association (IPRA). ACC is organised in such a way that it designs the future and provides
technical support to its members to enhance their commercial competitiveness and contribute to the welfare of the city. The ACC, as required by the related law and the general conditions in Turkey, has assumed multilateral duties with the relaying views of the related authorities on the subjects that are of interest to the private sector.
