Title: Internship Sales and Project Management Toyota

Department: Sales Original Equipment (SOE)

Location: Brussels

Company Description:

The name Robert Bosch stands worldwide for excellent expertise and the diversity of products from the following divisions: Automotive first equipment, power tools and accessories, thermo technology, household appliances, communication and automation technology. The innovative power and the capability to produce technically high standard products in large numbers form the basis for Bosch's success. The Bosch group shows its expertise as a provider of top technology by creating a multitude of new products and procedures in all business areas of the company. Furthermore Bosch is one of the leading companies in patent applications.
Tasks: Your main responsibility will be to support the project management and sales engineer team in planning, coordination and follow-up of European projects with our customer Toyota (Focus: Chassis System Brakes). You will create and update management reports to ensure the availability of correct business data. Preparing documents and presentations for negotiations and technical discussions also fall into your area of responsibility. You will get in direct contact with the customer in order to promote the interests of our company in various issues. Therefore it is important to provide Toyota with sufficient information in order to maintain a good and mutually beneficial relationship.

Anforderungen: You are currently a student (with focus on industrial engineering or business) and you are interested in the automotive industry. You speak English fluently; knowledge of French and/or Dutch and/or German and/or Spanish and/or Turkish is a plus. You are very well organized and flexible and you can work independently on a tight deadline. You have excellent communication skills and you are a team player. Additionally you are confident in working with MS Office, especially Word, Excel and PowerPoint. Knowledge of MS Project is highly appreciated.

We are looking forward to receiving your application by email in English (please mention the exact title of the position). Do not hesitate to contact us if you have any further questions.

Stipendium: Mögliche Förderung über ERASMUS-Stipendien für Auslandspraktika.
