Beschreibung: Start something big today. Apply as IT Intern (f/m)

Bosch Electrical Drives India Pvt. Ltd. l Chennai, India ; 6 months ; Start: As soon as possible

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology - with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch. Bosch Electrical Drives India Pvt. Ltd. (RBDI) was formed as a Bosch subsidiary in April 2008 with the objective of dealing electrical drives products from Robert Bosch GmbH, Germany and also from its affiliated and subsidiary companies in the rest of the world. Today RBDI is engaged in sales, manufacturing, development and application of safety systems and comfort
Your contribution to something big
- Driving change: Lead and coordinate the implementation of a SAP Plant Maintenance module at RBDI
- Knowledge transfer: Train maintenance personnel in said SAP module
- Process improvement: Codify machinery and equipment spares as stock items

Your future job location offers you
Compensation to cover your living expenses, accommodation and food, insights into the automotive industry and international work experience in a fast-paced economy

Anforderungen:
What distinguishes you
- Background: Advanced Bachelor or Master student or recent graduate in Business Information Systems, Computer Science, Information technology, or related studies
- Know-how: High SAP proficiency and previous experience in implementing and rolling out of SAP modules; experience abroad as well as previous leadership experience as an added advantage
- Personality: Strong influencing skills and openness to experience new cultures
- Languages: Business proficiency in English
