The innovation capacity determines the success of Bosch. You might contribute with us to the continued improvement of our work. The activities' field of gasoline systems develops and produces modern motor systems which help to create dynamic, clean and economic cars.

For the Purchasing Department, being separated into sub-departments (direct and indirect), of our factory located in Aranjuez (approximately 45 kilometres away from Madrid), we are looking for highly engaged and responsible students, who are in the final years of their Bachelor's degree or Master's degree. The paid internships have a duration of six months, starting in beginning/ end of August 2017 (800 euros/month).

Your tasks:
We will give you the opportunity to apply your theoretical
knowledge and gain valuable practical experience. The tasks vary among the sub-departments:

Direct Purchasing:
- Request, revision and comparison of offers
- Preparation, creation and follow up of purchase orders
- Communication and coordination with suppliers
- Support of colleagues in running projects
- Correction, actualization and translation of documentations
- Request and actualization of the technical documentation and documents needed for the internal liberation process of parts, etc.

Indirect Purchasing:
- Collaboration in Purchasing department
- Realizing framework analysis
- Requesting offers: order tracking, price development analysis
- Updating purchasing data in SAP R/3
- Creating presentations for conferences
- Sending updated technical documents to suppliers
- Monitoring suppliers quality, etc.

Every success has it's beginning. Apply now!
