Beschreibung: Erasmus+ Graphic Design Internship at Triforce Ventures

Ideal for master students that love to work on design and
discuss concepts, ideas and their impact on daily life, in their
3rd, 4th semester or people working on their thesis. We are
looking at 2-3 so we can work with them individually as well as
a group.

About the Team and Position:
During your internship, you'll be a creative member of our
design team, working side by side with our copywriters,
marketing and product designers to execute event websites
and
marketing materials, ranging from decks to branded swag.
During the internship, student will have gain knowledge in
design, coding, theater, film, branding and develop other soft
skills not only by doing but also by listening to colleagues and
guests (theater directors, movie directors, set designers,
entrepreneurs ...) who stop by at the company.
Key Responsibilities:
- Create ideas, concepts and prototypes
- Illustrate guides, branding, pitch decks
- Assist the marketing team with various duties such as packing, organizing, and any other needs
- Be collaborative and be engaged

What you can expect from Triforce Ventures:
You'll learn and gain knowledge in: coding, design, theater, film, branding, writing and develop many soft skills necessary for smooth student to pro transition. Guest speakers, super flexible duration (50/50 - office/remote), trip to Venice Bienale, trip to Vienna.

Ljubljana is the trendiest Erasmus city of 2017!
Apply now at: info@triforce.ventures

Anforderungen:
- You're currently pursuing and are enrolled in a master design program or similar
- Proficient in Adobe Photoshop, Illustrator
- If You have an online portfolio you can share with us this is a plus
- Experience with HTML/CSS/JavaScript is a bonus, but not necessary

Stipendium: Mögliche Förderung über ERASMUS-Stipendien für Auslandspraktika.
