Webseite: www.ch-le-vinatier.fr

Start / Dauer: nach Vereinbarung / 3 Monate

Beschreibung: The Nursing Institute "The Vinatier" organizes foreign students' placements in one or more disciplines, in line with their curriculum.

- The partnership allows incoming Erasmus students to:
  - Know the French health system and identify ways to support specific people treated
  - Discover the different actors involved in care for people treated in France.
  - Understand new teaching methods and coaching.
  - Observe and participate in various professional practices.
  - Interact with students.

Anforderungen: Oral and written language skills: French / English

Stipendium: Mögliche Förderung über ERASMUS/LEONARDO DA VINCI-Stipendien für Auslandspraktika.
