

You are probably already familiar with our advisory services and events through the circulars that you regularly receive from the Career Center Universität Bremen and from Ms Droste. And possibly also that the Career Center Universität Bremen is a joint institution of the University of Bremen and the Bremen-Bremerhaven Employment Agency. We would be pleased if you could take a moment to provide us with more detailed information on the following exemplary topics or concerns for which we counsellors and the job placement service of the Bremen-Bremerhaven Employment Agency will be happy to support you:

People interested in studying

- Which degree programme matches my interests?
- In which fields of work can I work if I choose subject xy?
- What are the chances on the labour market?

Graduates (also students in the final phase)

- Do I have to register as unemployed? If so, how do I proceed and what deadlines do I have to observe?
- Can I also register as a job seeker or unemployed at the Career Center?
- Where and how do I search for job offers?
- If my job search is protracted, where and how can I get financial support?
- I would like to prepare application documents and would like support.
- I am thinking about a career change into teaching. What requirements do I have to fulfil?

Experienced academics

- I would like to change my career. What alternatives are there? What additional qualifications may be required?
- If I am also thinking about retraining or further education, can I get support at the Career Centre? What financial support options are there?

Students

- I am looking for a part-time job. What offers do I receive from the job placement service at the Career Center?
- Where and how do I research relevant internship and job offers?
- I would like to prepare an application for an internship or a job offer. What do I have to consider?
- I am thinking about changing or dropping out of my studies. What options are there for me? Can I alternatively start an in-company apprenticeship or a dual study programme and how can I proceed?

Research assistants

- Do I have to register as unemployed? If so, what deadlines do I have to observe?
- Can I also register as a job seeker or unemployed at the Career Center?
- What career opportunities are open to me outside the academic field?
- Where and how do I research relevant job offers?
- What additional qualifications may be required?
- If I am also thinking about retraining or further education, can I get support at the Career Center? What financial support options are there?
