Dear Colleague,

We are pleased to send you the next edition of our specialised journal including your academic and research job vacancies in schools of computer, electrical and mathematical sciences and engineering recently posted at Computeroxy.com worldwide.

Post a job vacancy to attract the attention of our academic and research audience of more than 880,000 professors, lecturers, researchers and academic managers who are presently employed in the highest-ranking schools of computer, electrical and mathematical sciences and engineering worldwide and receive our specialised journals with job vacancy notifications twice a month.
