Dear Faculty and Researchers,

It gives me great pleasure to present you the next issue of our academic journal which includes open faculty and research positions in engineering and technology, ranging from senior executive roles through to academic posts and research related positions, from polytechnic universities worldwide.

Post your jobs on PolytechnicPositions to reach precisely the right faculty and researchers, specialising in engineering and technology, with ease. Your adverts posted on PolytechnicPositions will be also included in our academic journals sent out to more than 600,000 faculty and researchers specialising in engineering and technology worldwide. Post your jobs now!
