The Student homepage has a number of options:

1. **Courses:** In the courses tab, the student can see the course they have been assigned to.
2. **Practice:** The practice area allows students to practice activities which they want to or which their teacher has assigned them.
3. **Messages:** Students can send and receive messages with their teachers, including submitting homework activities.
4. **Gradebook:** The gradebook allows the students to view their progress and access their course and test scores.
5. **New this week:** This area contains the most recently uploaded content on the site. News items are available at three different levels.
There are two ways to access messages from the student homepage. Click on the envelope in the top right corner or click View All next to Messages.

Click on the message to open it. A paperclip icon means the message has an attachment.
