international

- Network for international and German students
- For student success and career qualification

## With kompass, you'll find your way!

kompass is a team in the International Office at the University of Bremen that carries out international and intercultural projects. Our programs and events bring foreign and German students together. We provide orientation, broaden horizons, highlight points in common, and build bridges for your professional future. Friendly, welcoming, and open for all!

### Student success and career qualification

The **Mind the Gap** – professional program teaches international students professionally relevant competencies for the German job market (with cooperation from the Career Center).

### Study-Tandem

International students get paired with a tandem partner to study for lectures together.

### Intercultural Certificate

With this certificate, you will acquire key qualifications that will surely make a difference in international contexts, in both your professional and personal life.

### Roots – Explore your intercultural potential

The Roots Program assists students with a Turkish-speaking background in using their skills to find a place in the German-Turkish job market. We plan to expand the program for Russian and Polish speaking students.

### Senior Citizens

The Senior Citizens team helps international students, visiting researchers, and their families – spanning generations and cultures (a cooperation with Akademie für Weiterbildung).

### Training Programs for the kompass Team

Training programs for the student kompass Team include subjects like Project Management, Design, Beginner's-level Languages, Content Management Systems, Marketing, and much more.

### International / Intercultural

**Study Buddy** helps international students find their way quickly around Bremen. Through the program, you can build new friendships, practice foreign languages, and gain international contacts.

**Intercultural training** offers the possibility to find out more about the causes of intercultural misunderstandings that can arise among students or professors in a different university system.

### kompass Publications

The kompass program is scientifically supervised. You can access and download research papers on our projects from our Homepage.

### Getting to know kompass

Intercultural events such as **kompass Cooks**, **Culture Nights**, **Jam Sessions**, **World-Cafes**, **Happy-Hours** in student residences, **excursions** to other cities, or creative project **work groups** offer many possibilities to get to know kompass. We are open to new people and ideas. Just come and join!
