# Health Insurance

# Health Insurance

All foreign health insurances have to be validated by one of the German health insurances (on the campus e.g. AOK or TK) who will then notify the University of Bremen via ESMV („Elektronisches Studierenden-Melde-Verfahren“) that you are sufficiently insured.

## You have to initiate the ESMV procedure yourself!

- Send a scan of your **EHIC** (EU nationals) or **TA11** (Turkish nationals) to one of the German insurance companies (on campus e.g. AOK ([studenten@hb.aok.de](mailto:studenten@hb.aok.de)) or TK ([eu-studies@tk.de](mailto:eu-studies@tk.de))).
- Non-EU nationals with a private health insurance: private health insurances must also be validated by a German statutory health insurance (e.g. AOK ([studenten@hb.aok.de](mailto:studenten@hb.aok.de)) or TK ([eu-studies@tk.de](mailto:eu-studies@tk.de)) )

**Attention:** *If your private health insurance cover is not sufficient you might have to get a German statutory health insurance in addition to your private health insurance.*

# Health Insurance

Non-EU nationals with a German statutory health insurance:  
your German insurance company should send the electronic notification to the University of Bremen via ESMV directly.

A private travel health insurance for the time gap between the start of the orientation weeks (on 25th of September) or your physical arrival in Bremen and the start of the semester (1st of October) is recommended.
