QUALITY YOU DESERVE

WORLD CLASS REPUTATION

Yaşar University has been delivering globally recognised, prestigious degree programmes since 2001. With its CEA accreditation, award-winning student mobility programmes, and recognition by global scholarship awarding bodies, the University prides itself on its international reputation and the success of its professional graduates. The University has very strong links to the business sector and is thus able to offer its students the benefits of university-industry collaboration through its support of entrepreneurship and startup businesses.

ACADEMIC STRENGTHS

Professors are more than teachers at Yaşar. They are also mentors, innovators and inventors. Our faculty are known for their calibre and experience, as leading Turkish and international academics. Join a close-knit community of over 10,000 students, where your ideas are valued and classes are kept purposefully small. Our supportive culture will give you the knowledge, skills and competencies needed to achieve your personal goals.

CAMPUS COMMUNITY

We have a strong tradition of welcoming international students, and offer a range of dedicated support services, with a full orientation programme, integrated health care, as well as a student buddy network for an instant circle of friends. The ESN (Erasmus Student Network) organises a host of events and trips throughout the year, in addition to the many student clubs and sporting activities on offer. Currently we have 69 countries represented on campus, a dynamic blend of people, ideas and perspectives. Come and experience the richness of diversity and the warmth of true Turkish hospitality.

EXPAND YOUR VISION

Opportunities abound on campus. Enrich your student life by involving yourself in one of the many international conferences, concerts or student festivals, hosted by the University. Try taking up a new foreign language. Tackle a social responsibility project. Reflect on your life's perspective with foundation courses offered in Design Culture, Project Management, Research and Methodology, Human Sciences, as well as Ethics and Aesthetics. Learn the best tips for job applications with the Career Centre.

INTERNATIONAL EXPERIENCE

Join the increasing number of registered Yaşar students, who spend a term of their studies at one of our partner universities, either in Europe, The US, The UK, Australia, Canada or the Far East. Volunteering, internships and employment opportunities (up to 20 hours a week) are also available during your studies; everything to help you make the most of your Yaşar experience and prepare you for the globalised marketplace.

QUALITY ACCOMMODATION

Enjoy living in a cosmopolitan city, where you will quickly become part of a closely knit network of friends and colleagues. Yaşar is located near to the city centre, in one of the liveliest and safest neighbourhoods in Izmir. It offers you a wide selection of student flats, houses and dormitory options. The University's own Residence Halls are convenient with their quality facilities and location, close to the campus and the city's metro line. Discover how affordable and enjoyable it can be to live the Mediterranean life.

INTERNATIONAL RELATIONS AND PROGRAMMES OFFICE

Yaşar University's International Relations and Programmes Office aims to coordinate and develop the university's internationalization vision, to recruit international students, to organize international events, to increase the opportunities of international education for students and to support and develop international and intercultural relations within the campus. The International Relations and Programmes Office is the representative of Yaşar University at international education fairs, international conferences and meetings and in relations with Non-Governmental Organizations and state authorities.

International Student Registration and Welfare

Currently, there are students from 65 different countries that are studying at Yaşar University as full time and exchange students. The International Relations and Programmes Office is the first unit to get in touch with students and help them through their registration process to the university. The office crew provides help and support to the students starting from their arrival in Izmir to the day of their graduation.

Global Partnerships and Exchange Programmes

Yaşar University has strong mutual ties with top universities from all over the world. These strategic partnerships create international opportunities for our students. Yaşar has collaboration agreements with over 600 different universities. Our student exchange opportunities are listed below:

1. Mutual Agreements – Dual Degrees

Currently, Yaşar University has 46 exchange agreements from 11 different countries that allow students to study abroad. For detailed information, our students can visit the office and get more information.

2. International Student Exchange Programme – ISEP

United States of America based ISEP gives the opportunity to our students to study at high ranked universities and in cities of their dreams. Yaşar University has 336 agreements with universities across the globe. Students can study for a semester or two in U.S.A, Latin America, Canada, Australia, South Korea, Japan etc. for free by paying Yaşar University's tuition, dormitory and lunch fee. For detailed information students can come to the office and get more information about ISEP.

3. Erasmus Programme

Yaşar University aims for its students to benefit actively from the Erasmus Programme. The Erasmus Programme is coordinated by the International Relations and Programmes Office in our university. Yaşar University has 220 Erasmus Exchange Agreements from 27 different European Union countries. Yaşar University was awarded the Erasmus Success Story by the European Commission in 2010.

Within the Erasmus Programme, our students not only study in European universities for one or two semesters, but also are able to do internships at organizations and institutions. Besides student mobility, within the Erasmus Programme, academics from important universities across Europe are coming to Yaşar University to give seminars and lectures in order for our students to achieve academic and cultural outcomes.

Detailed information about the Erasmus Programme can be found at erasmus.yasar.edu.tr web address.
