Slip sheet
Rapid test CARRIED OUT by a trained person

We invite you to the corona test, please note the following information:

- The test is voluntary and free of charge for employees of the University of Bremen. Before you enter the test center your temperature will be measured.
- A confirmed appointment is required for the test.
- The slip sheet is valid for 24 hours after leaving the test center.
- Your get your test results only in the test center. Afterwards it’s not possible.
- Please bring two completed printout of this slip sheet with you to the test. Otherwise the test cannot be performed.
- If there are signs of a respiratory disease, testing is not possible!
- Please observe the AHA + L rules at all times: wear your medical face mask at all times, keep your distance, use the hand disinfectant and follow the instructions of the staff

Thank you!

Data protection:
The data are collected on behalf of the University of Bremen for the purpose of testing and reconstruction chains of infection. They are only processed by authorized persons in compliance with appropriate data security and are deleted after 4 weeks.
The data will be passed on to the responsible health department. The legal basis is the German Infection Protection Act §6, General Data Protection Regulation (Art. 6), as well as the 24th Corona Regulation Bremen, especially § 8. If you do not agree to the collection of this data, no access to the test can be granted.
I hereby consent to the processing of my personal data mentioned above.

Bremen, ___________________________            _____________________________________
Data                                                                                     Signature
