If you enjoy a dynamic international working environment and like to work in a highly motivated and friendly team, you are exactly right with us, Constructor University Bremen! You can expect an open corporate culture with flat hierarchies as well as interesting and challenging tasks. During your induction, you will be optimally prepared for your area of responsibility.

Constructor University invites applications from interested candidates for the following position, to be ideally filled in the beginning of 2024,

**Postdoctoral Fellow in Computer Security (m/f/d)**

(full time; limited to 3 years)

Constructor University Bremen, Germany, is offering a three-year postdoc position in the Computer Networks and Distributed Systems research group.

**Your responsibilities:**

- Develop research activities in the area of computer security with a focus on device, network, system, or software security
- Publish research results in high-visibility international peer-reviewed journals
- Contribute to the preparation of competitive project proposals
- Assist with the creation of learning materials for asynchronous online courses
- Serve as a contact point (tutor) for students enrolled in asynchronous online modules

**Your qualifications:**

- PhD degree in a related field to the position
- Strong publication record with papers at recognized venues related to computer security
- Experience with executing collaborative research projects
- Excellent communication skills required to support the supervision of students
- Fluency in English, the language of instruction and communication on campus

**What you can expect at Constructor University:**

Constructor University unequivocally guarantees the academic freedom of every member of the faculty, as well as every other member of the Constructor University community. We encourage diversity in the University in ethnic, cultural, social, religious, political, and national backgrounds, as well as in individual lifestyle. Constructor University offers full equality of opportunity to all qualified applicants and is an equal opportunity employer.

- The result counts: trust working hours for work-life balance
- Possibility to work remotely
- Individual on-boarding, career- and development planning
- Company fitness program offers with EGYM Well Pass (former Qualitrain)
- Green campus with recreation areas, take the tour: [https://info.constructor.university/campustour/](https://info.constructor.university/campustour/)
- Constructor University has extensive programs on sustainability and environmental sustainability
